

School District: _____

ARRA Title I Part D

A. From the following program areas, choose one or more proposed areas for the use of ARRA funds:

1. Professional development _____
2. Program expansion _____
3. Materials and equipment _____
4. Developing or improving systems _____
5. Conducting needs assessments _____
6. Conducting program evaluation _____

B. Check below areas of proposed program activity, from the Title I Part D legislation:

- 1) programs that serve children and youth returning to local schools from correctional facilities, to assist in the transition of such children and youth to the school environment and help them remain in school in order to complete their education; _____
- 2) dropout prevention programs which serve at-risk children and youth, including pregnant and parenting teens, children and youth who have come in contact with the juvenile justice system, children and youth at least 1 year behind their expected grade level, migrant youth, immigrant youth, students with limited English proficiency, and gang members; _____
- 3) the coordination of health and social services for such individuals if there is a likelihood that the provision of such services, including day care, drug and alcohol counseling, and mental health services, will improve the likelihood such individuals will complete their education; _____
- 4) special programs to meet the unique academic needs of participating children and youth, including vocational and technical education, special education, career counseling, curriculum-based youth entrepreneurship education, and assistance in securing student loans or grants for postsecondary education; _____
- 5) programs providing mentoring and peer mediation. _____

C. Provide a brief narrative describing how the funds will be used (one page max). List the proposed program activities specifically, referencing the allowable uses in sections A and B, above.

D. How do the proposed activities link to your population's targeted needs (NCLB Needs Assessment)?

E. Will any jobs be provided or preserved through the use of these funds? If yes, describe how and provide numbers of FTE's.
