Teachers Certification Information System

New Jersey Department Of Education

Welcome to the Online Teacher Certification Information System. New Jersey Teacher Certification Information System (TCIS) is the State of New Jersey's Internet source for educator Licensure, Certification, and Professional Growth and Development. TCIS provides its users with the tools necessary to apply for and maintain New Jersey Licensure and Certification. This is also the site for the DOE users to review application information, track applications, and certify prospective applicants.
