Dear Ms. Keener:

The New Jersey Department of Education (NJDOE) is in receipt of your letter submitted on behalf of the New Jersey School Buildings and Grounds Association (NJSBGA) requesting a waiver of the prohibition on overnight travel in order to facilitate the hosting of the 18th and 19th Annual Conference and Expo planned for April 14-15, 2014 and April 6-7, 2015 in Atlantic City, New Jersey. This letter addresses the waiver for the 2014 conference. The 2015 conference waiver will be considered when the program is secured and a request with detailed information is submitted to the NJDOE.

As you are aware, *N.J.S.A. 18A:11-12* requires that boards of education must ensure that all school district travel expenditures are "in compliance with state travel payment guidelines as established by the Department of the Treasury..." State Department of the Treasury *OMB Circular 12-14 Section X.B* specifically prohibits reimbursement of in-State overnight travel. However, the circular authorizes the Commissioner of Education "to grant waivers for overnight travel for school board members and school district employees to attend in-State conferences pursuant to guidelines issued by the Department of Education," *OMB Circular 12-14 Section I.B.8*.

The Department's regulations at *N.J.A.C. 6A:23A-7.11(c)* authorize the Commissioner to grant overnight in-State travel waivers only in extremely limited circumstances, where the sponsoring organization can demonstrate that the conference is broad and multidisciplinary in scope, comprised of content-rich educational programming with important professional development opportunities and/or required training. In addition, the sponsoring organization must demonstrate that the conference's content, structure, scheduling and anticipated attendance necessitate that it be held on multiple consecutive days with overnight lodging. The travel regulations are posted on the Department's web site at: <http://www.state.nj.us/education/code/current/title6a/chap23a.pdf>.

Pursuant to the regulations, waivers will not be granted for reimbursement of lodging prior to the first day of the event or after check-out time of the last day of the event. Moreover,

waivers will be considered only where the sponsoring organization can demonstrate that the conference is broad and comprised of content-rich educational programming with important professional development opportunities and/or required training. In addition, the sponsoring organization must demonstrate that the conference's content, structure, scheduling and anticipated attendance necessitate that it be held on multiple consecutive days with overnight lodging.

After carefully reviewing your submission, the Department finds that the 18th Annual NJSBGA Conference and Expo in Atlantic City, New Jersey meet the criteria of the regulations. Specifically, I note that based upon the content of your submission, the conference promises to be broad in scope, of current relevance to New Jersey's facility managers and will attract attendees representing a wide geographical area. The conference will also offer professional development opportunity including continuing education credits for New Jersey's Certified Educational Facility Management (CEFM) professionals requiring multiple days of programming. For these reasons, a waiver request for the 2014 conference is granted. As a result of the waiver, school districts will be able to reimburse attendees for overnight lodging on April 14, 2014 provided that the remaining conditions delineated in this letter are met. Reimbursement for registration fees, mileage and meals, subject to the limitations and conditions set forth in *OMB Circular 12-14* and *OMB Circular 11-09* may also be permissible. School districts and charter schools should ensure that they approve attendance only of board members, trustees, and employees whose duties are related to the purposes of the conference or who are required to attend to meet continuing education requirements as a condition of continued employment.

Moreover, please be advised that the waiver of the prohibition for reimbursement for overnight lodging covers only those attendees whose home to event commute exceeds 50 miles. In other words, only those individuals whose one-way commute to the 18th Annual NJSBGA Conference and Expo in Atlantic City, New Jersey exceeds 50 miles may obtain reimbursement from their school district or charter school for overnight lodging for April 14, 2014.

Finally, I want to express my appreciation of NJSBGA's efforts to provide professional development opportunities to those who strive to provide quality public education in New Jersey. My best wishes for a successful conference.

Sincerely,

Christopher D. Cerf
Commissioner
