General Questions

1. Does your high school implement any of the following high school reform initiatives?

Check all that apply.

High Schools That Work

First Things First

Learn More, Do More, Earn More

International Baccalaureate

Early College High School

Theme-based Schools

Career Academies

Other

If other, please explain (*50 words or less*):

2. What percentage of the 2005 graduating class took one or more Advanced Placement Courses?

3. Has the **FAIR LAWN** board of education adopted policy that allows the use of Option Two to fulfill high school graduation requirements?

YES

NO

If NO, why has the district board of education not adopted a policy allowing the use of Option Two?

Check all that apply.

Policy was reviewed and the board voted against it.

The district administration does not support it.

The district administration has not submitted policy to the board for review.

The high school principal/administration does not support it.

We have never had a request for it but when we do, we will consider developing policy at that time.

Other

If other, please explain: (*50 words or less*)
