

# Introduction to the Teaching Profession Seminar

Interested in learning more about teaching?

**WHO:** Open to everyone! Including, all military – retired, separated, active, reserve, guard, etc., all branches and spouses of military, etc.

**WHERE:** There are several providers throughout the state of New Jersey.

Please visit <http://www.state.nj.us/education/educators/license/advisories/applicant.htm>

**WHEN:** Sessions vary! From weekends, online and during the week, check them out at the website above.

-----

**WHY:** To learn more about the teaching profession – lesson planning, school policies & law, classroom management, finding employment and the transition into the teaching field.

**\*This seminar is required for all of those seeking NJ state teacher certification and encouraged for those seeking certification in any state.**

**A certificate of completion from the State Department of Education will be issued to those who complete the full session.**

-----

**FEE:** There is a fee for this session. Contact a provider at the above website to learn more about the fee.

**\*If you are registered with Troops to Teachers, you may be able to be reimbursed for this fee.**
