

Advanced Standing: The New Jersey Department of Health (DOH) has collaborated with the Health Care Association of New Jersey Foundation (HCANJF) on a voluntary pilot program for Assisted Living and Comprehensive Personal Care facilities known as *Advanced Standing (AS)*.

Facilities receive the designation of *Advanced Standing* when the Health Care Association of New Jersey Foundation (HCANJF) verifies that the facility has satisfied all state licensing regulations and met quality benchmarks.

The DOH continues to conduct complaint investigations for all facilities, but limits routine inspections to facilities without *Advanced Standing*. The DOH randomly conducts unannounced surveys for a percentage of the *Advanced Standing* facilities to validate the surveys performed through this pilot. Listed below are the facilities that have currently achieved the designation of *Advanced Standing*.
