

New Jersey State Museum Friends Gift Shop

Your class visit to the New Jersey State Museum is not complete without a stop in our student-friendly Gift Shop - one of the many highlights of a child's trip! The Gift Shop is an extension of your Museum experience providing children with an opportunity to learn about financial management, practice math and social skills, and encourages independent decision making.

We have items starting as low as 25 cents, so every child can leave with a memento of their field trip and we offer a wide variety of pre-packaged souvenir options if your group has limited time. From a single pencil or ruler, to custom bags with items related to your visit, the Gift Shop can accommodate advance orders that will be ready for pick-up at the end of your trip.

We also carry an assortment of teaching aides to enhance your classroom lessons including maps, books, replicas of historic documents, educational games and activity cards, catalogs, and so much more!

Proceeds from the Gift Shop help support the New Jersey State Museum's exhibitions, collections and educational programs. For more information on advance orders, call our (609) 826-3936.
